

Ethical Tea Partnership Statement

At Yogi what makes our tea good goes beyond the contents of your mug our mission is to create quality products, do good in our communities and promote the well-being of people around the world. Our sourcing teams continue to purchase within transparent and certified supply chains, invest in long term agreements with our suppliers, invest in additional ingredient projects outside of tea that enhance the livelihoods of local communities and support projects covering nutrition and regenerative agriculture. We are proud of the work we have done and where we will continue to support.
